Students' Feedback Analysis Report Academic Session 2020-21

INTRODUCTION: The Internal Quality Assurance Cell (IQAC) of Udaynarayanpur Madhabilata Mahavidyalaya has continuously been working on quality improvement and the betterment of students' learning experiences. In order to detect the lag areas of the college, feedback from the students is received on a regular basis and thereafter analysis of the scope for further improvement is done. This report focuses on the feedback of students on Teaching-Learning, Infrastructure and Academic ambience and Student support.

DATA COLLECTION AND ANALYSIS: This year, due to the closer of the college owing to the Pandemic, an effort has been made to receive feedback from all students of the college through online mode. Google Form was created with Questionnaire divided in three modules (M1: Teaching-Learning; M2: Infrastructure and Academic ambience; M3: Student support). In order to arrive to comprehensive results, useful statistical tools like bar, pie chart etc. have been used.
