Teachers' Feedback Analysis Report Academic Session 2021-22

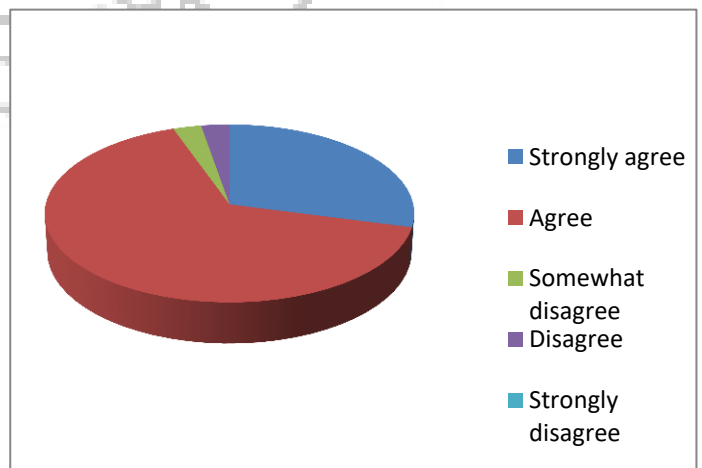

INTRODUCTION: The Internal Quality Assurance Cell (IQAC) of Udaynarayanpur Madhabilata Mahavidyalaya makes it a tradition to mandatorily collect feedback from students for years as it is committed to the highest standards of educational and other provisions for its students. Besides, this year The IQAC focuses on teachers' experiences on working environment. To analyse the lag areas of the college and scope for further improvement in curriculum, teaching-learning and evaluation, administrative support, infrastructure and academic support, feedback from the faculty is received and then analysed and sent to appropriate bodies so as to initiate the action for improvement.

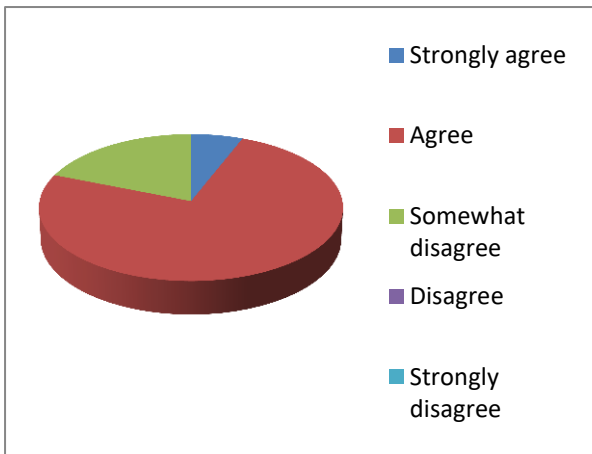

DATA COLLECTION AND ANALYSIS: This year, teachers' feedback is collected manually by offering them hard copy of a questionnaire followed by asking their suggestions and collecting the same from them within the stipulated time (25th – 30th July, 2022).

In order to arrive to comprehensive results, useful statistical tools like percentage, pie chart, etc. have been used.

SUMMARY: Analysing the responses from the faculty, we may constitute an idea that, overall, the teachers of our college have an acceptable level of satisfaction with curriculum, teaching-learning and evaluation, administrative support, infrastructure and academic support.

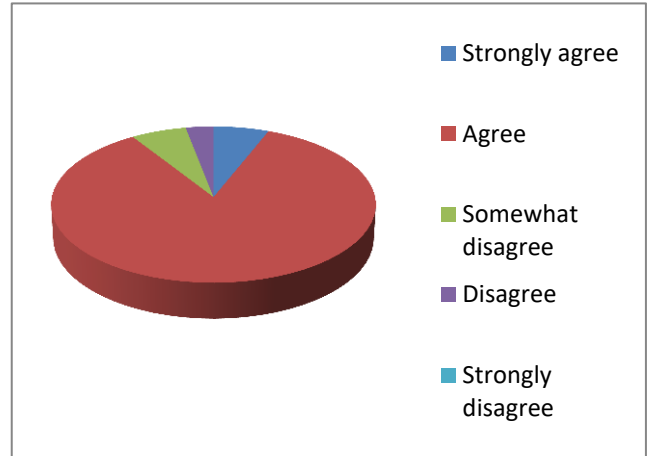

32% teachers strongly agree and 72% agree that teaching time allotted for completion of syllabus is sufficient.

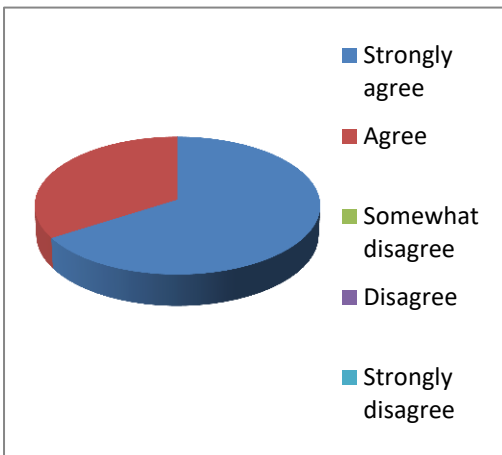

81% of them are satisfied with the attendance and punctuality of students in the class.

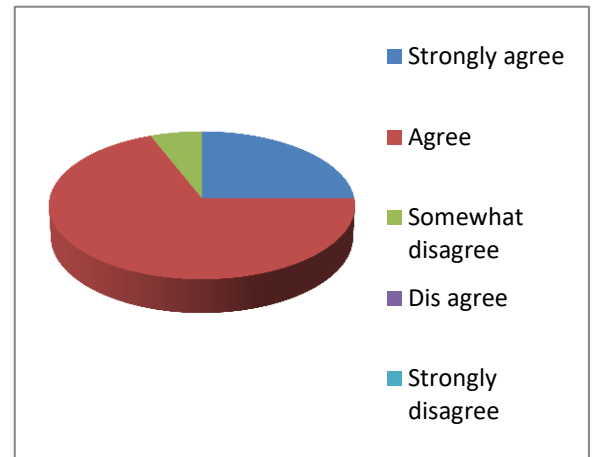

90% of the teachers are satisfied with students' responsiveness and interaction in the class.

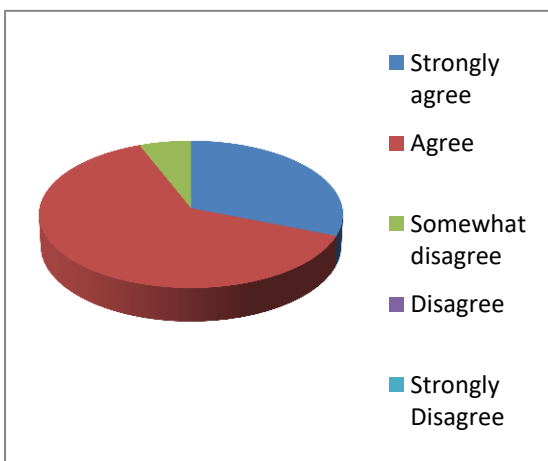

No wonder, 100% of them agree that admission process is transparent and in accordance with the guidelines of the University.

94% of the teachers are satisfied with the office staff members' cooperation in rendering services related to various academic and administrative matters.

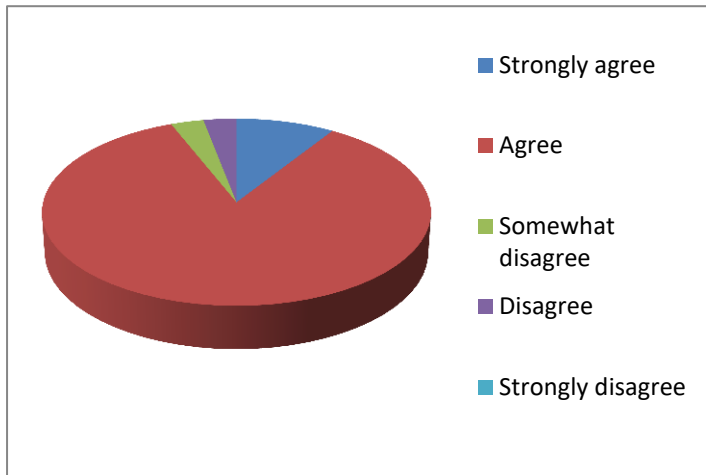

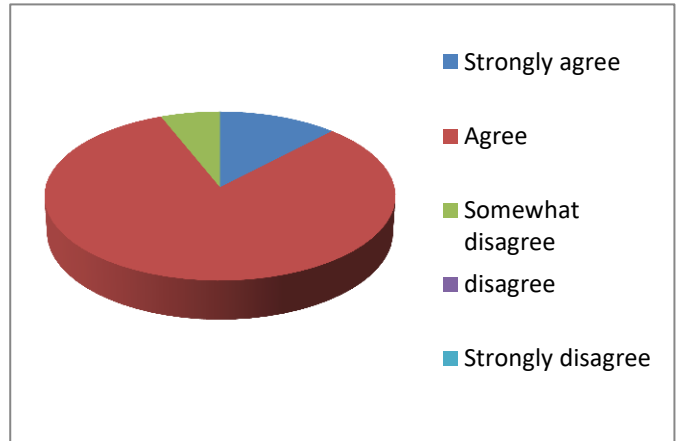

94% of them also satisfied with the administration in regard to giving permission to participate in workshop/ present papers in National/International conferences.

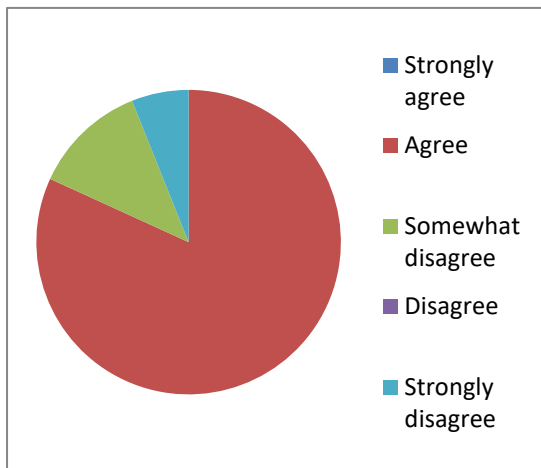

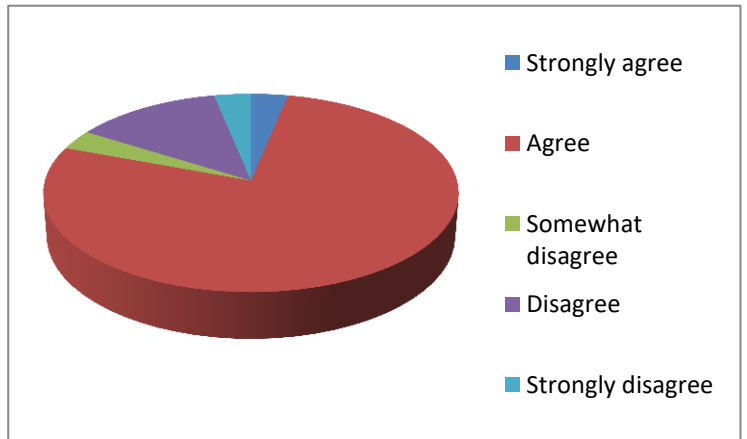

81% of the teachers agree while 12% more of them strongly agree that the ambience of the workplace is good.

94% of them are satisfied with library facilities regarding the availability and accessibility of subject books.

Comparatively, teachers' response regarding the availability of Wi-Fi with high speed internet is not so well; only 75% of them are found satisfied.

81% of the teachers agree that staff toilet facility is clean and convenient.

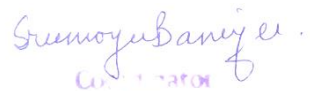

CONCLUSION: As a result of teachers' feedback, the IQAC continues to review, develop and implement policies and practices in key areas. The report would be sent to appropriate bodies and necessary action would be taken in view of it.
