Alumni Feedback Analysis Report Academic Session 2022-23

INTRODUCTION: The Internal Quality Assurance Cell (IQAC) of Udaynarayanpur Madhabilata Mahavidyalaya makes it a tradition to mandatorily collect feedback from students for years as it is committed to the highest standards of educational and other provisions for its students. Besides, this year, for the first time, the IQAC also collects feedback from the alumni as it is an important source of information for betterment and development of the institution. The aim and objective of this feedback is to rate the syllabus and the facilities provided by the college. The feedback focuses on the importance and relevance of the course and curriculum, the functional nature of the course, the co-curricular activities in the college, the infrastructure and facilities provided by the college and the contribution of the college in their overall personality development. The feedback is then analysed and sent to the appropriate bodies so as to initiate the action for improvement.

DATA COLLECTION AND ANALYSIS: This year, Alumni feedback is collected through Google Form.

Google Form Link: <https://forms.gle/WZNCMjLoCLuiDptA6>

In order to arrive to comprehensive results, useful statistical tools like percentage, pie chart, bar graph etc. have been used.

SUMMARY: Analysing the responses from the alumni, we may constitute an idea that, overall, the alumni of our college have an acceptable level of satisfaction with course and curriculum, the functional nature of the course, the co-curricular activities in the college, the infrastructure and facilities provided by the college and the contribution of the college in their overall personality development.

The following analysis can be deduced from the alumni feedback:

- 94.4% alumni members feel proud to be associated with this institution as alumni.

- 83.3% of them feel that the college played an important role in increasing your level of confidence.
