

B. A./B.Sc General (2nd year) Feedback Report

For 2nd year feedback report , this time we have received 157 reports. a thorough analysis of each form has brought following observation:-

1. Majority of the students express satisfaction about regularity of classes taken, completion of syllabus in time and helps provided beyond class hours. Students of B.Sc, Bengali and Education reported to have good learning experience.

2. They also felt overall infrastructure is upto satisfactory level and most of their parents felt so. though, few reported their parents are not aware about college and its overall issues.

3. the academic issues found in these feedback forms are

- i) Not enough book for Music Dept in library
- ii) Necessity of equipment in physical education dept
- iii) One student reported about not having enough classes in Bengali dept.

4. The infrastructural issues were mainly-

- i) lack of enough drinking water, sanitation and hygiene issues in toilet,
- ii) canteen facility is not regular and not enough for all the students,
- iii) common room and sitting area are not enough for all students.
