GREETINGS FROM THE PRESIDENT

Udaynarayanpur Madhabilata Mahavidyalaya was established in 2006 on the bank of River Damodar surrounded by the green beauty of nature to provide education up to graduation degree to majorly first-generation learners from a predominant rural-agricultural background, especially focused on female education and education for students from economically backward families. The college drew its name from village zamindar family, well-known for their contribution to upgrading socio-economic status of the area. The Role of Dr. Gita Chattopadhyay, her family, Hon'ble MP and the local people who contributed their land and financed the college will be remembered forever. The college is surrounded by birthplace of historical figures like Raygunakar Bharatchandra of Penro, Rani Bhabashankari of Garh-Bhawanipur, Poet Hemchandra of Rajbalhat, Anthpur and Dihibhurshut.

It is a co-educational, grant-in-aided degree college, affiliated to C.U and recognized by the University Grants Commission and serving as a higher educational institute for the aspiring rural youth of both the districts of Howrah and Hooghly. A healthy student-teacher relationship enhances an environment of student-centric model of teaching learning in this institution. It offers eight (8) subjects in Hons. courses and Eleven (11) subjects in General courses. The institution offers spacious classrooms, Science including Geography, Food & Nutrition laboratories and Music laboratory, well-stocked Library with reading facilities, well equipped virtual classroom, common room for boys and girls, canteen specified for students and staff, Mini Indoor Games Complex with multigym, large lush green playgrounds, cycle stand, separate common room for boys and girls, Union room. The financial assistance of the department of Higher Education, Govt. of WB & MP Lad has helped to improve the infrastructure. The college has also enabled Wi-fi access for students, Coverage by CCTV, Prominent display in Digital Notice Board.

Our teaching and non-teaching employees provide the best services to look after the interest of the students. Local Kurchi-Shibpur Gram Panchayat and Udaynarayanpur Block administration are very cordial and helpful in offering collaboration for activities of college. Extension activities in collaboration with N.S.S. unit, blood donation camp, flood relief are also worth mentioning. For overall development of the personality and placement assistance for the students, Computer training center and training programme under Utkarsha Bangla are now open for both current students and alumni. Alongside internship programme are also arranged for them. The college has been accredited by NAAC with grade B in 2024 (2nd cycle). Hope you will find something special in the college. I wish you all the best at the new step of higher education.

Samir Kumar Panja, MLA
President of the Governing Body
Udaynarayanpur Madhabilata Mahavidyalaya

FROM THE DESK OF TEACHER-IN-CHARGE

বিদ্যাং চাবিদ্যাং চ যন্তুদ্বৈদোভয়ং সহ। অবিদ্যায়া মৃত্যুং তীর্ত্বা বিদ্যায়া মৃতমশ্নুতে।।

Udaynarayanpur Madhabilata Mahavidyalaya, affiliated to the University of Calcutta, was founded in 2006 under the patronage of the local zamindars to ensure the fulfilment of educational needs of the local people, specially to facilitate the female education in Udaynarayanpur, a land that bears the rich heritage of ancient Bhurishrestha Kingdom.

Keeping this in mind, our priority and continuous efforts are to improve the standard of higher education in the institution, to provide students with required exposures that they need for their holistic development and to etch our impression in society through organizing various social, environmental and extension activities.

Teaching-learning and Evaluation

The institution always prioritizes effective teaching-learning and proper evaluation process for the students. To facilitate these, we have well equipped laboratories, a library with reading rooms and internet connection, as well as N-LIST memberships for educators. Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences. The college makes use of ICT to facilitate teaching-learning processes. To ensure holistic development of students we have collaborations with various HEIs and agencies.

The affiliating University, i.e. the University of Calcutta conducts end semester examinations. The college strictly adheres to the University's prescribed rules regarding holding of internal, tutorial and practical assessments. Apart from these the departments use various evaluative measures to improve students academically.

Research, Innovation and Extension

Being an undergraduate college, it does not have any authority to act as a research centre, but we have a Research and Development Cell (RND) which focuses on promoting and facilitating research activities in the institution. The college has received multiple ISBNs to publish books for different academic fields. The college authority has allocated funds to promote research activities. Teachers are always encouraged to pursue their Ph.D. and attend seminars, conferences and faculty development and refresher courses. RND and all departments play a significant role in mentoring students in research related activities.

To foster innovation, entrepreneurship, and the development of new ventures among our students our RND cell has successfully organized Incubation Day to provide students with first-hand experience in entrepreneurship by showcasing and promoting their environment-friendly, handmade products. We are planning to organize more events to nurture the ability and passion of our students and alumni.

Our NSS team effectively fulfils the main objectives of NSS i.e. '**Education through Community Service**' through year-round in-house and extension activities.

Infrastructure and Learning Resources

The college has a vast green and plastic free campus with 5.55 acres of area. It offers eight core courses, B.A and B.Sc. multidisciplinary courses. With the advancement of time the college authority feels the need for more classrooms, therefore the number of classrooms has been increased in the main building and now we have 18 classrooms, 3 smart classrooms, one virtual classroom and four laboratories. We have an enriched, furnished and ILMS (Integrated Library Management System) equipped library with two separate reading rooms for students and teachers. We have a big playground and Mini Indoor Games Hall for students. The college also facilitates other essential infrastructure for the students. Presently we have two capacity development and skills enhancement activities in our institution. We are going to introduce a few more value-added courses in the coming session.

Student Support System

Eligible students are benefited by scholarships provided by various government and non-government agencies. College provides free ships to economically vulnerable students. The college has Career Counselling Cell and Placement Cell to guide both current and pass-out students. We also have a registered Alumni association. The college resolves any kind of grievances through Grievance Redressal Cell. The Internal Complaint Committee has the power to resolve sensitive issues in the institution if necessary. Anti-ragging cells work to make the students aware of the negative impacts of ragging and arrange awareness programmes on this issue. The college also provides support to students in times of mental crisis.

The college which will complete its 19 years in July 2025, appeared in 2nd Cycle of Assessment and Accreditation by National Assessment and Accreditation Council (NAAC) and upgraded from NAAC Grade C in 2016 to NAAC Grade B in 2024.

In spite of economic constraints, we are looking forward to creating more opportunities and facilities for the all-round development of our students. To attain this, we need co-operation from all stakeholders, including guardians, students, staff, alumni, academicians and well-wishers.

ABOUT THE COLLEGE

Udaynarayanpur Madhabilata Mahavidyalaya was established on 25th July 2006 under the auspices of the Udaynarayanpur Zamindar family. The conception of this college was enabled by the far-reaching vision and generous contribution of this family and to them the college owes eternal gratitude. The college has been named after Madhabilata Devi of the Udaynarayanpur Zamindar family whose benevolence and ceaseless patronage of the cause of education made her a revered figure in the village. We feel her presence and her benediction as we pass her alabaster statue on entering this abode of learning. The college had austere beginnings in Bireshwar Balika Vidyalaya. Today it boasts a sprawling campus, lush with greenery, on the banks of the Damodar.

Udaynarayanpur Madhabilata Mahavidyalaya is a NAAC-accredited, co- educational, government-aided college, affiliated to the University of Calcutta. The untiring efforts of educators and the enthusiasm of students make it an ever-growing and ever-developing institution. The college authorities are intrepid in their endeavor to ensure its constant development and teaching and non-teaching employees are assiduous in their efforts to guarantee the smooth functioning of the institution. Despite its rural location, the college is well-equipped with modern teaching-learning tools such as smart boards and e- classrooms. It has an expansive library automated with KOHA, reading rooms, laboratories, and capacious classrooms. Bolstering its belief that physical exercise, extra-curricular activities, and participation in sports are as important as classroom learning, the college provides for its students a large field, a music room, as well as an excellently equipped gymnasium. It is our resolve to evolve with the changing times to ensure that Udaynarayanpur Madhabilata Mahavidyalaya reaches greater heights in the coming years, not only granting its students college degrees but also molding their careers and their futures

VISION, MISSION AND OBJECTIVES OF THE COLLEGE

VISION

Fulfillment of the dreams and aspirations of higher education of the youth, especially girls, by inculcating in them the knowledge and skills necessary for further academic progress and for employment.

MISSION

- To provide the students with adequate infrastructural facilities and learning resources, including classrooms, laboratories, toilets, books, equipment, etc., and to promote the Gross Enrolment Ratio (GER) and the teaching-learning process in the college.
- To introduce subjects and courses commensurate with the need and demand of the locality, the capacity and infrastructure of the college, and the profile of the students.
- To provide quality teaching in a friendly and healthy environment.
- To review the progress through various mechanisms including evaluation of learning outcome, self-evaluation of the faculty, and collection of feedback from the students and the guardians.
- To ensure that the college governing body, which acts as the highest administrative authority, is formed as per rules of the West Bengal Universities and Colleges (Administration and Regulation) Act, 2017 where adequate representation of teachers, non-teaching staff and students are guaranteed.
- To ensure that all decisions related to teaching, learning, evaluation, extracurricular activities, etc. for the students are to be taken based on the recommendations and suggestions of the teachers' council and teachers' committees.

OBJECTIVES

To achieve its vision and to fulfill its mission, the college has set certain objectives, such as:

- To develop a sound academic culture in the institution by fostering cordial and friendly relationships among the staff and the students.
- To mobilize resources and funding from all available sources including the State Government, the Department of Higher Education, the University Grants

Commission, the local area development funds of the MLA and the MP, etc.

- To utilize the available funds to fulfill immediate needs such as the construction of classrooms and laboratories, and purchase of necessary materials including books for the library, equipment for the laboratories, benches and cupboards, sports equipment, etc.
- To promote critical and research-oriented thinking in the students by providing access to top academic journals and proper guidance through the Research Committee.
- To upgrade the pedagogical method with the help of modern technology by necessary use of digital classrooms.
- To pursue the concerned authorities for creation of new teaching posts and the post of a librarian and quick filling up of the existing vacancies in teaching posts.
- To recruit an adequate number of non-teaching staff to facilitate the office work.
- To pay proper attention to the needs and demands of the students, such as grievance redressal and counselling, and provide special care for the problems faced by the female students.
- To create a conducive atmosphere and adequate facilities for refreshment and creative leisure activities for the students.
- To facilitate the development of various extra-curricular faculties of the students for the creation of a resourceful cultural environment and for the all-round nurturing of the human faculties of the students.
- To create an eco-friendly campus with regular plantation drive.

As laid down in the Right to Information Act, 2005, and reiterated in the UGC Guidelines on Students' Entitlement, all HEIs shall disclose on their website and prospectus information like the status of the institution, its affiliation, accreditation rating, physical assets and amenities, course-wise sanctioned intake of students, details of faculty, membership of governing bodies and minutes of the meetings of bodies like Academic/ Executive Council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice.

HEIs shall charge fees in advance only for the semester/year in which a student is to engage in academic activities. Collecting advance fees for an entire program of study or for more than one semester/year in which a student is enrolled is strictly prohibited as it restricts the student from exercising other options of enrolment elsewhere. This enabling provision is in line with the UGC guidelines on Choice-Based Credit System (CBCS) and Model Curricula which are geared towards promoting a student's inter-institutional mobility.

If a student chooses to withdraw from the program of study in which he/she is enrolled, the institution concerned shall follow the following four-tier system for the refund of fees remitted by the student.

Sr. No.	Percentage of Refund of Aggregate fees*	Point of time when notice of withdrawal of Admission is served to HEI
(1)	100%	15 days before the formally notified last date of admission
(2)	80%	Not more than 15 days after the formally notified Last date of admission
(3)	50%	More than 15 days but less than 30 days after Formally notified last date of admission
(4)	00%	More than 30 days after formally notified last date Of admission

**(Inclusive of course fees and non-tuition fees but exclusive of caution money and security deposit)*

- In case of (1) in the table above, the HEI concerned shall deduct an amount not more than 10 % of the aggregate fees as processing charges from the refundable amount.
- Fees shall be refunded by all HEIs to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

Although the course contents of all minor courses are identical with some major courses of that subject, the examinations for Major and Minor courses will be conducted separately.

A college shall offer Major Courses only in such subjects in respect of which it has affiliation for Single major courses.

ii) Minor Courses:

Course content to be the same, as Major Courses of a given standard.

A student will have to take 8 Minor Courses from the same broad discipline as the Major excluding the Major subject. Students have to study 4 Minor Courses in the first two years (1 in each semester) and 4 Minor courses in the 3rd year (2 in each semester).

Of the 4 courses in the first two years 2 courses have to be taken from one subject (m1) in the 1st and 2nd semesters and 2 courses from the other subject (m2) in the 3rd and 4th semesters. All these courses are intended to be at level 100.

The exact Minor courses are specified in the syllabus of respective subjects. For any minor subject the first two minor courses (irrespective of whether it is taught in 1st or 2nd year) will be identical with the first two courses of the corresponding major subject.

In the third year (semester-5 & 6) two minor subjects in each semester will have to be taken from two different subjects. These courses are of level 200.

A minor course opted for in the 5th semester will have to be selected from among the major courses offered in the 3rd semester level (level 200).

Similarly a minor course opted in the 6th semester will have to be selected from among the major courses offered in the 4th semester (level 200).

iii) Inter Disciplinary Course (IDC):

A student will have to opt for three IDCs (one in each of the first three semesters) from a pool of courses offered in the different disciplines. These courses must be different from the major and minor subject.

iv) Skill Enhancement Course (SEC):

SEC courses are based upon skill enhancement. Student shall study 2 SECs based on Major subjects in 1st and 3rd semester. In the 2nd semester the student can study Artificial Intelligence (for Science discipline) or Digital Empowerment (for Humanities & Language discipline) or as specified in the syllabus of the concerned Major subject.

Course structure (Th, P, Tu) and credit distributions (4 TH +0P/TU; 0 TH+4P; 2 TH+2 P/TU; 3 TH+ 1 P/TU) may differ from subject to subject.

Note: There shall be no course containing only Tutorial.

v) Common Value Added Course (CVAC):

There shall be 4 CVAC courses of 2 credits each. In the 1st semester there shall be 1 compulsory CVAC in ENVS & one CVAC in Constitutional Values. In the 2nd semester there shall be 1 compulsory CVAC in ENVS & the students shall select the other CVAC from a pool of courses.

vi) Ability Enhancement Course (AEC):

All students shall have to study 4 AEC courses of 2 credits each (one in each of the first 4 semesters). There will be a compulsory AEC, named Compulsory English which shall be studied in the 1st and 2nd semesters and there will be an optional AEC (MIL/ Alt. GUIDELINES REGARDING ONLINE CLASSES

Since the Corona virus (COVID -19) Pandemic has disrupted the normal lifestyle of people across the globe, the virtual world has come to the rescue. Consequently, the online education system has emerged as an alternative to regular face to face classes. Our college is also trying its best to use the existing online platforms and apps to the optimum level to continue e- learning to provide guest lectures, webinars and classes during natural calamities. So, each student are encouraged to share their mail-id for access to online classes.

STUDENTS' SUPPORT SERVICES

There are different bodies and committees consisting of faculty members to assist, advise, guide, and provide counselling to the students for any academic and personal problems. These bodies are:

STUDENTS' COUNSELLING CELL:

This Cell provides valuable advice and guidelines to the students regarding their career choices and preparations. Besides career counselling, this Cell also provides necessary counselling to the students in any kind of their problems related to the learning, as well as to college in general.

GRIEVANCE REDRESSAL CELL:

This Cell addresses students' grievances and complaints regarding academic matters and infrastructural and other facilities within the college campus and ensures complete cooperation from the college authority.

GENDER SENSITIZATION CELL AGAINST SEXUAL HARASSMENT:

The college has a 'Gender Sensitization cell' which was formed in 2017 according to the instruction by UGC. This cell promotes the notion of 'Gender Equality' amongst the students by conducting seminars, workshops and cultural events. The cell remains open round the clock to receive any complain or to provide any suggestion regarding gender issues even via mail or phone calls from the students. To inculcate Gender Awareness among everyone is the first and foremost aim of the cell. This Cell has been formed following Supreme Court guidelines to enable students' confidential and fast redressal of any such complaint through the Internal Complaint Committee. The body ensures just enquiry and assures them not to reveal the identity of the complainant and protect him/her from any discriminatory behaviour.

ANTI-RAGGING COMMITTEE:

Ragging in any form is strictly prohibited within the college campus. Any incident of ragging is to be reported to the Anti-Ragging Committee immediately and if proved true the case will be dealt with strict adherence to existing guidelines.

ACTIVITY CLUB:

Each student is unique and cannot be fully evaluated by limiting course curriculum. So, with the objectives of exploring possibilities, building community attachment, assisting to achieve shared learning and to showcase qualitative faculties, the Activity Club will guide the students. We initiated pilot named Cultural Club in a voluntary basis where students came together and took part in several cultural activities under the guidance of faculties. The process helped build some successful cultural programmes, and bagged prizes in inter-college functions. Following the same model, it is now scaled up to include each student based on their preferences (opted during admissions) or interests. Each student can take part in any of the two clubs. The areas of this Activity Club will include scope for singing and instrument, dance, theatre, sports and yoga, debate, quiz competition, photography, creative writing, poster drawing, culinary skills etc. All these activities are designed to help the students to be active and confident. A certificate of appreciation will also be given at the end of the course completion.

N.S.S. UNIT OF COLLEGE

Since the academic session 2010-11, the National Service Scheme (N.S.S.) unit has been formed in our college. If the students have an interest in social work and social welfare activities, they should take part in the N.S.S. unit. Our N.S.S unit is running under efficient programme officer to foster an instinct for social welfare among our students and provide them with the opportunity to work for social causes. NSS unit of our college has scheduled activities like tree plantation, sanitation, health awareness camp, health check – up etc. to engage in society development and alleviate sense of holistic improvement for community.

FACILITIES AVAILABLE IN THE COLLEGE

The institution is committed to provide the best infrastructure for its students, by assuring the following facilities:

COLLEGE LIBRARY:

The college library is automated with a full featured Integrated Library Management Software named KOHA and provides open access to the faculty, staff and students through in-house OPAC system and we are progressing towards fuller automation with services of 24/7 open access and 24 x 7 x 365 OPAC search (web based). Besides, the library has subscription to N-LIST (a project being jointly executed by the e-Shodh Sindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, IIT Delhi) membership. So, the faculty and students of the college can access huge e-resources like e-books and e- journals etc. and download scholarly articles.

FACILITIES OF COMPUTER, INTERNET & DIGITAL-LEARNING:

Computer and internet facilities are fundamental for students and teachers in the present education system. Currently we have computers available in the library and the Geography Department, and the college is equipped with digital classrooms and projectors. This should give students a chance to learn in a more advanced way. Now, steps are being taken to provide more computers for students so that they can use the computers and internet and enrich themselves. A college Wi-Fi network has been instituted to enable the students to access the internet free of cost.

STUDENTS' WELFARE FUND:

The Student Welfare Fund has been formed to support the poor and meritorious students.

STUDENTS' UNION:

Students' Union is formed by a democratic electoral process and the elected members of the Students' Union work for the welfare of the college and its students.

CONCESSION OF STUDENTS' FEES:

Fees of the students should be considered for concession on the following reasons:

1. Students must be from a low-income family background.
2. Students must be meritorious.

3. Students must have regular attendance.

The application for fees concession on merit should be considered through these criteria and selected students (10% of the total number of students) will be allowed full or half or quarter concession of their tuition fees. If a student gets any scholarship/stipend, he/she will not be considered for concession.

DRINKING WATER:

The college has adequate purified drinking water and water chillers for its students within the college premises. The college has set up a Purified Drinking Water Project for the students, under the patronization of Udaynarayanpur Panchayat Samiti.

CANTEEN:

There is a canteen on the college premises with separate sitting compartments for students and teachers. Breakfast, lunch, soft drinks, tea, coffee etc. are available there.

RAINWATER HARVESTING PROJECT:

As a part of promoting adequacy of underground water, the institution has launched a rainwater harvesting project.

BEAUTIFIED COLLEGE GARDEN ALONG WITH A HERBAL GARDEN WITH MEDICINAL PLANTS:

The college has a beautiful garden in front of its entrance. The lush green view of the garden soothes the eyes of the students and sets their mood just before entering the college. The college also has a separate garden dedicated to a collection of herbs and medicinal plants.

ARRANGEMENTS FOR WEAK STUDENTS AND ADVANCED LEARNERS:

The Institution has an in-built system so that the advanced learners can excel, and the underperforming students can receive necessary assistance to help them catch up to the expected standard. There are arrangements for presentation by students, remedial classes, and tutorial classes.

AWARDS AND SCHOLARSHIPS:

College students are eligible for various awards, scholarships, stipends, and concession of fees. Scheduled Caste/Scheduled Tribe/Minority Students get government scholarships / stipends and Meritorious Students get Swami Vivekananda Merit-cum-Means Scholarship, Sitaram Jindal Scholarship, etc. to support their education. Since the academic session 2017-18 a decision had been taken to award the students who get highest marks in the final year examination in each honours subject and general course. Awards and Scholarships would certainly encourage the students to concentrate more on their studies.

SPECIAL COURSES:

The institution offers some special courses to its students. The courses are as follows:

SPOKEN ENGLISH :-

The ability to communicate in English is of utmost importance in today's world. Udaynarayanpur Madhabilata Mahavidyalaya always endeavors to instill in its students the skills required for them to successfully navigate the changing demands of social and professional spheres. One such step taken by the college is the facility of an add – on Course. The course is open to students enrolled in both Honours and General courses of the college and students are actively encouraged to participate in the same. The course also trains students in essential soft skills required for job interviews and career development.

COLLEGE MAGAZINE & WALL MAGAZINE:

College magazine '*Diparchi*' is published by the Magazine Committee and given to every student. The name of our wall magazine is '*Kalam*' which is being published every year under the supervision of an experienced professor who enriches the magazine by proper advice. Alongside that, now every department has its own wall magazine which displays information of specific subjects in a creative manner.

MULTI-GYM:

Multi-Gym facility is available for students and staff interested in physical exercise. The gym is equipped with two types of 8 Station Gym, manual jogger, gum ball, different types of medicine balls, yoga and gymnastics mats, barbells, dumbbells, and bicycle.

FREE Wi-Fi SPACE:

There is free Wi-Fi space on the college campus. Students are required to register with their respective mobile numbers to get this facility.

REPROGRAPHIC FACILITY:

Students can take the opportunity of Xerox/photocopy facility available in the library at subsidized rate.

WEST BENGAL STUDENT CREDIT CARD SCHEME:

In the year 2021, the Government of West Bengal had introduced Student Credit Card Scheme for the students who are residents of West Bengal. Udaynarayanpur Madhabilata Mahavidyalaya has considered it as an opportunity for the pupils of the institution to take loans for their academic purposes through the WBSCC Scheme, Government of West Bengal. One Nodal and a Help Desk Officer are assigned to conduct the scheme under the banner of the institution. Interested Students and Guardians are asked to contact the college Principal or any

of the designated officers during college hours if they have any type of queries regarding this scheme.
